Web Development

Three Star Media

The screenshot shows a modern website layout. At the top is a red header bar containing the text "Web Development". Below it is a teal-colored rounded rectangle containing the company name "Three Star Media". The main content area features a large, blurred photograph of an office interior with people working at desks. Overlaid on this photo is the text "Welcome to Three Star Media". A small yellow button labeled "Connect with us" with a play icon is visible. At the very bottom of the page, there is a footer bar with links for Home, About us, Services, Team, Contact, and a Search bar.

Purple Rain

The screenshot shows a purple-themed website for a food service. The top navigation bar includes links for Home, About, Contact, Location, and Order Now. Below the navigation is a banner with the text "A flavor for every mood". A text input field contains placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Quia vitae beatiae minus, fugiat ut reiciendis unde neque exercitationem amet dolore odio vero quasi possimus accusantium temporibus voluptate quam. Eius, optio?". Below the banner is a search bar with fields for "Where is your event?", "See your location", "When is it?", "Add a date", "How long is it?", "Add a date", and a green "Order Now" button. Further down is a section titled "Recommended flavors" with four categories: Family Events, Business Events, Crazy Flavors, and All our Flavors. An image of a dessert with strawberries is shown next to the "In Love" category.
